TACC GUIDELINES, ROUTINE, AND AWARDS OVERVIEW

Dance Troupe Inc. (DTI) is committed to providing a family-friendly competition environment while celebrating artistic expression. We recognize that there is a distinction between objective and subjective concepts of appropriateness. While objective standards include legal compliance, safety, and industry norms, subjective considerations may vary based on artistic intent, audience perception, and cultural viewpoints. We encourage all participants to be mindful of age-appropriateness in music, movement, themes, and costuming. While creativity and artistic boundaries are valued, routines should remain suitable for diverse audiences, including young dancers and their families.

To maintain these standards, our judging panel reserves the right to address content concerns through the Troupe Appropriateness in Content and Context, or TACC, Letters process. Judges may issue TACC letters as constructive feedback if a routine raises concerns about appropriateness. While the thoughts and opinions of the judging panel may not always align with those of DTI staff and administration, judges have the authority to evaluate routines based on their professional judgment. In cases where content is deemed unsuitable by a majority vote, deductions, disqualification, or adjudication-only status may be applied at their discretion.

We encourage all participants to uphold these guidelines to maintain a positive and professional competition experience for all. Thank you for your cooperation in keeping DTI a welcoming and inspiring space for dancers and their supporters. For any questions regarding these guidelines, please contact DTI administration
